Our dining room serves a selection of healthy hot and cold meals; snacks and drinks at break and lunch times. Although we operate a cashless system, visitors may purchase items with cash. Details are available at Reception.

Dress code

We ask that all adults who work with our students are dressed in office wear unless their role necessitates otherwise e.g. Sports or Drama.

Safeguarding

1. Child protection

Everyone who comes into contact with children has a role to play in safeguarding them. Visitors to the school may not be with students from school without the presence of a member of staff unless you have enhanced DBS clearance and this has been cleared in advance with the school. If you are in any doubt, please ask to speak to the Headteacher's PA., Mrs Camburn. Any concerns relating to child protection must be communicated to the Designated Safeguarding Lead or Deputy Designated Safeguarding Lead.

2. Health and safety

Part of a school's overall values is the responsibility to keep students, staff and visitors safe. The site and its facilities are inspected on a regular basis and risk-assessed to ensure its safety. If you notice anything of concern, please report it immediately to a member of the school staff. Contractors should report to the Site Manager. There are first aid facilities and trained first aid colleagues on site at all times during the school day.

3. Fire procedures

In the event of a fire alarm (a continuous ringing of the school bell), please leave all your belongings and follow the fire evacuation procedures displayed in each room. Make your way to the St Pauls Road playground, where you should report to the visitors' area. (Please see map overleaf.) In the event of a fire alarm before 8.30am or after 4.00pm, please make your way to the area opposite the main Reception.

Leaving the site

Please ensure that you sign out at Reception and return your visitor's badge.

We look forward to welcoming you.
