### Parents & Carers

***Supporting your child when choosing their A-Levels.*** For Year 11 students this process is well underway and as parents / carers you may find the following link useful in discussing courses with your son/daughter. For students not needing to make the decision right now, we would strongly urge the thought process to begin!

A reminder that students in Years 9 & 11 have begun using Careers for Schools during PSHE time to support their development relating to their skills & attributes, likes & dislikes and how these link to continuing educational routes beyond TMCS. Access for students in Years 7, 8 & 10 will take place in due course.

We would like to invite you to register as a parent / carer using the link below. Our center number required for registration is 64922.
